

# THE 10th ANNUAL GRAND RIVER CLEAN-UP

GRAND RIVER PARTNERS, INC.

SATURDAY - MAY 30TH

## THE GRAND RIVER CLEAN-UP

For the past decade, Grand River Partners, Inc. has organized an annual river clean-up at which dozens of **volunteers** of all ages float down two separate 8-mile stretches of the Grand River in Lake and Ashtabula counties. They spend a spring morning picking up improperly discarded trash, tires, cans & bottles, and even the occasional washing machine!

## WE NEED YOUR HELP

Your business or corporation can sponsor one of our volunteer canoes for the *2009 Grand River Clean-up* event. Your donation will help provide canoes and refreshments to the volunteers.
